

LESSON PLAN

TITLE: March Through the Red Sea

TEXT: Exodus 14:1-31

MEMORY VERSE: See Lesson Sheet

KEY SCRIPTURE: With men it is impossible, but not with God: for with God all things are possible. ~ Mark 10:27

LESSON OUTLINE:

1. Remember Baby Moses? He is grown now, and God has chosen him to be His special helper.
2. Moses was to help the people get away from a bad king.
3. God showed them the way they should go -- using a cloud over them by day, and a fire by night. They moved when the cloud moved.
4. The king was sorry he had said 'yes' to Moses, and decided to send his army after the people and make them come back.
5. When the people saw the army coming after them, they were real scared.
6. Moses told them not to be afraid, that God would take care of them.
7. God caused a wind to divide the waters of the Red Sea that was in front of their camp and they were able to cross over it on dry ground!
8. Pharaoh's army marched right in after them, but they were destroyed, when the waters flowed together.

MAIN OBJECTIVE:

- Obedience -- it pays to obey.

APPLICATION TO DAILY LIVING:

- When we have problems we can pray (talk to Jesus about them) and Jesus can make a 'path' for us to follow even when it seems there is no way. He cares about us. Let us thank Him.

TEACHING AIDS:

- Picture of Baby Moses in a basket to tie the lessons together.
- Paper sea (blue construction paper) folded so you can stand up the walls of water.
- Draw fish on water or use fish stickers.
- Paper chains of people -- let the kids 'walk' them through.
- Paper chains of soldiers -- fold water over to cover them. Doll figure with 'rod'.
- Dish of water for kids to try to push back, or blow! (Don't forget a towel!)
